Ref. No. *HCTA/04/2015*

Date: *24 April 2015*

To

The Honourable Chief Minister  
Government of Haryana  
Chandigarh

**Subject: - Relaxation in the Entry Level Upper Age Limit of Teachers in Government Aided Colleges in Haryana to 42 Years**

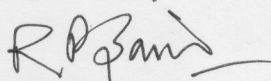

Sir

Most respectfully we wish to submit that the Government of Haryana has enhanced the entry level age limit of teachers in the Government colleges of Haryana to 42 years. This step will provide opportunities to the capable aspirants to enter higher education and will also help the educated unemployed youth in their pursuit of a formidable career in teaching. The benefit of upper age limit relaxation at the entry level must also be given to the Government aided colleges of Haryana as they also governed by the same Government rules and regulations & serving the cause of higher education in Haryana assiduously like the Government colleges..

All the teaching fraternity of aided colleges of Haryana urge and implore you earnestly that the entry level upper age limit of teachers in the Government aided colleges of Haryana may be made at par with the teachers working in the Government colleges, immediately and without any delay.

With regards

Yours faithfully

(Dr. R P Saini)

Gen. Secretary, HCTA
