The Controller of Exams.
Ch. Devi Lal University, Sirsa.

Subject:- Suggestions for improvement in the working of Examination system.

Sir,

The teaching fraternity wishes you good luck on your taking over charge of Controller of Exams. Although, the circumstances which necessitated such change were unfortunate, yet the momentum has to be carried forward. It is sincerely hoped that with a person of your caliber at the helm of examination system would bring in deserved changes.

The below mentioned changes are suggested for effective and smooth working of the entire process of Exams.

1. Secrecy of answers sheets sent to marking centres should be given top priority. The practice of sending answer sheets without secrecy code and evaluator being asked to write full roll no. of examinees should be stopped as it has resulted into many errors and subsequently result delays.
2. The convener of flying squads must be provided with adequate advance money at least for the taxi hire charges.
3. Sunday should be excluded for exam date sheets, as it deprives the staff of duty of the needed interval.
4. The passing of bills of remuneration for exam duties must be streamlined. It has been experienced that bills of yesteryears are still outstanding. This brews discontent in the hearts of supervising staff.
5. Efforts must be made to declare result of final semesters in time and that also without any RL cases, so that students can apply for their higher education courses without any hassles.
6. Only regular and permanent faculty members from University or College should be appointed as Superintendent and Deputy Superintendents.

With Regards,

(Dr. S.P. Singh Sidhu)
Gen. Secretary, HCTA
