Ref. No. HCTA-11

Dated 15/4/11

For Circulation among HCTA Units

Dear Friends,

UGC recommendations/notification with regard to 6th pay commission of college and University teachers were announced on 30.06.2010. Initially, the Haryana Govt. appeared to have been reluctant over the implementation of these recommendations, resulting in a state wide agitation by the teachers under the banner of HFUCTO. The agitation was so comprehensive that the state Govt. had no other option but to accede to most of our demands. In this respect an assurance of total implementations of UGC recommendations was given by none other than the Hon'ble Chief Minister Sh. Bhupinder Singh Hooda on 26th August, 2009. Subsequently, the state education department came out with a partial notification implementing the revised pay scales of college and University teachers.

Friends, HCTA is for total implementation of UGC Recommendations. The main issues which still are lying pending for acceptance with the Govt. are :-

1. Increments for M.Phil & Ph.D holders
2. Professorship in colleges
3. Enhancement of retirement age

The HFUCTO is planning to stage a Dharna at DGHE office, Panchkula on 22.04.2011 for immediate and total notification. All the Unit office bearers are required to make this Dharna a grand success by hugely attending it.

With fraternal feelings.

Fraternally yours

(Narender Singh)
General Secretary,
HCTA.
