Ref. No. *H.C.T.A./04/2015*
To

Date: *24 April 2015*

The Honourable Chief Minister
Government of Haryana
Chandigarh

Subject: - To Uphold the Designation of Assistant Professor in Physical Education in Government Aided Private Colleges of Haryana

Sir

Most humbly we wish to submit that the post of Director of Physical Education (DPEs) in the Government Aided Private Colleges of Haryana was designated to that of Lecturer in Physical Education in 1988 by the government of Haryana and it in no way put any additional/extra financial liability on the government.

Now, it has come to our knowledge and apprehension that the government of Haryana may redesignate the Assistant Professors in Physical Education to the status that prevailed before 1988. Sir, the present designation was bestowed in order to honour their services and contribution in the sphere of sports in Haryana and it has never put any sort of additional financial liability on the Government of Haryana since. Any move to withdraw the present designation will mar the confidence and honour of Assistant Professors of Physical Education working in the Government Aided Private Colleges of Haryana. HCTA humbly request you not to allow any kind of variation/change in their designation and to keep their designation as Assistant Professor in Physical Education. Such a judicious gesture on the part of your government will go a long way for the cause and betterment of higher education in the state of Haryana.

With regards

Yours faithfully

(Dr. R P Saini)
Gen. Secretary, HCTA
