For Circulation Among HCTA Members

This is to inform all the units of HCTA that a common meeting and dharna of HFUCTO affiliates, HCTA, HGCTA and MDUTA, was held at D.G. office, Panchkula on September 10, 2019. In view of the govt. indifference towards our long pending genuine demands, the following decisions have been taken for urgent implementation at the level of all units:

1. On September 11, 2019, teaching work will remain suspended from 12:00 noon to 2:00 pm and during this time all the members will sit on a dharna. After that a memorandum of our demands will be submitted to C.M. Haryana through district administration. The dharna will be in the campus of the local college.
2. On September 12, 2019, all teachers will be on mass casual leave and all will reach D.G. office, Panchkula, for a day long dharna and protest march.
3. All are requested to bring banners of local units and ensure hundred percent presence at the dharna, both days.
