**For Circulation among unit members**

Dear Friends,

Congratulations to you for making the call given by the association a successful one. We celebrates 1<sup>st</sup> August as protest day by bearing **black badges** and by holding **dharnas** on unit level on 13<sup>st</sup> august so that the government take cognizance of our demands.

Friends, in this regard our next action is "**mass hunger strike**" on 25<sup>th</sup> august **VC office, KUK** at 10:30 am and it is our responsibility to make this call a grand success also, for that purpose it is decided that at least five members from each unit and if the number of unit members exceed 10 then 30% of the total unit members must reach kuk, in addition to that all the EC members of HCTA , Ac and court members of both the universities will reach there in time.

With fraternal feelings

**Narender Singh**  
**(General Secretary)**
