FOR URGENT ATTENTION OF HCTA UNITS

Dear Friends

As you are aware, UGC Pay Review Committee has been constituted. This is a result of our united struggle and the able leadership that AIFUCTO has given to the teachers across the country. The issue of Pay revision is not limited to our monetary benefits. It has immediate and long term consequences for higher education and the working conditions of teachers and study environment of students. Another major issue is scrapping of API System as it is a conspiracy to block career advancement scheme of teachers.

1. Keeping in view these challenges, AIFUCTO has given a call that **July 14** is to be publicized as **Protest Day**. All teacher units are requested to send a letter (download it from HCTA Website) to UGC Chairman on **July 14** and further requested to discuss these letters in your unit before sending to the UGC Chairman.
2. Those HCTA local units which have not been able to conduct their elections for local office bearers for last two years are requested to immediately constitute their respective units and inform the undersigned along with the names, e-mail and contact numbers of the office bearers.

For Circulation Among HCTA Members

Dear Friends

First of all, I greet you at the beginning of the new academic session 2016 - 2017. This session is full of challenges for us all as UGC Pay Review Committee has been formed by the HRD ministry. It is a result of our collective struggles under the banner of AIFUCTO and HCTA. The mass dharna and demonstration of our unity on June 6 in New Delhi was so effective that the Central govt was compelled to form the Pay Review committee. I congratulate you all and urge you to participate actively in the days to come.

The struggle for getting API system scrapped will continue till this anti teacher and anti education provision is withdrawn completely.

Friends, the implementation of National Pension Scheme (NPS) in Haryana for our colleges has finally come to its logical point. The state govt. In its letter dated 15.06.2016 (Copy Enclosed) has instructed all the principals to implement it in letter and spirit by sending the share of the management and do other necessary formalities in time. For this, HCTA efforts have been consistent and uncompromising. I congratulate all the members of HCTA for having achieved this as without continuation of pension policy, the job security stands grossly compromised. I request all of you to ensure that the principals do the remaining work at their level without slightest delay.

At the level of Universities, HCTA is working hard to resolve all pending issues in KUK, MDU, Rohtak and CDLU, Sirsa.

Regarding, delay in salary, we have met the highest officials to get it in time. We have conveyed them how discriminatory it is not to pay salary for months. About medical scheme, it has already been taken up with the education minister and CM, Haryana. Our efforts are on, we hope to achieve this major demand of ours in the days to come.

Friends, we have entered a phase of challenges and opportunities, especially after the constitution of the UGC Pay Review Committee. Let us remain united and strengthen HCTA and AIFUCTO so that we face the challenges and do not miss the opportunities ahead. Our unity is the key to success as it has always been.

With fraternal greetings
