## FOR URGENT ATTENTION OF HCTA UNITS

In view of the sad and tragic events during last few days, social harmony has been very badly disrupted in Haryana, all the units of HCTA are requested to take out a silent March for Social cohesion on Tuesday 1st March 2016 at 12:30pm at local level. All members of HCTA are urged to lead the society at large by marking a public demonstration of our commitment to social harmony, justice and the law of the land.
