## **FOR URGENT ATTENTION OF HCTA UNITS**

**Dear Teacher Friends,**

To demand the immediate publication of UGC PRC report enabling AIFUCTO and other teachers' associations to review it, HCTA at the call of AIFUCTO informs and urges all the teacher members to participate in this agitation programme.

University and college teachers across the country will observe "Demand Day" on 19th April, wearing badges demanding 'Share 7th UGC Pay Review Report with apex Teachers' Body AIFUCTO'. MHRD breaking all previous traditions maintaining unprecedented secrecy on PRC. Teachers Associations in their units will hold meetings protesting the apathetic attitude of the Govt. towards the teaching community of the country. Attack on autonomy, freedom of expression and expression of dissent & culture of protest are increasing day by day in the campus. Huge budget cut, cut in scholarships & research grants and lacs of vacant posts in universities & colleges are the vital issues. Issues of lacs of adhoc teachers, teachers in self-finance courses and guest teachers are the main concern to be addressed as earliest. Protection of democratic rights and right of protest for all stake holders in campuses is being severely attacked. Corporatization and comodification of education with continuous withdrawal from Public Funded Education System by the Govt. is posing all dangers on the future of education in the country. Pro-people education policy is the need of this phase of democratic India. If one GST is possible for business class in the country, why not uniform education system for all in the poor country like India?

I appeal on behalf of AIFUCTO, to the teaching community of India to join the 'Demand Day' and come together to expose the anti education, anti teachers and anti-students attitudes of the Govt. and be ready to launch higher form of movements in near future.
