To
The Hon'ble Chief Minister,
Government of Haryana,
Chandigarh

Sub: Request to resolve the demands of university and college teachers.

Hon'ble Sir,

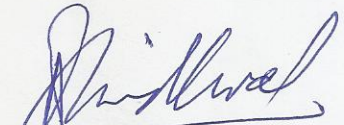

Most respectfully, we wish to submit that the university and college teachers of the state have always cooperated with the state Govt. in the development of Higher Education in Haryana. We further submit that a few issues of University and College teachers of the are still remain unresolved mainly age of retirement to 65 Years and post of professor in colleges. These are long pending demand of the university and college teachers recommended by the UGC. There is shortage of teachers in all the universities and colleges of the state and the students of the state deprived of the experienced faculty due to not enhancement of retirement age. The age of retirement has already been raised for VICE-Chancellors of the universities and teachers of medical colleges of the State. Another important aspect is that it is national loss also when well enriched and experienced teachers are not able to work due to retirement. It is for your kind information that many states like M.P. Jharkhand, Bihar, Chhattisgarh, Utrakhand, Delhi etc have increased the age of retirement to 65 year as Per UGC recommendations and many states have raised it to 62 years. It is pertinent to remind here that the UGC recommended the age of retirement to 65 years for maintenance of quality of Higher Education .It is further submitted that the Govt. of India has already constituted 7th pay commission and the teachers of Haryana are still struggling for the implementation of UGC recommendations which are necessary to improve the quality of higher education in Haryana.

Therefore we request you to kindly enhance the age of retirement to 65 years for University and College teachers of the state and resolve the other issue as mentioned above.

Dr Raj Kumar

Thanking you

Prof Attar Singh
