

Haryana College Teachers' Association

(HCTA Unit of -----)

To

The Chief Minister
Haryana.

Subject : Dharna Against non-fulfillment of demands

Sir,

This is to submit that you had personally assured the teaching fraternity of Govt. Aided Private Colleges to give a policy of medical reimbursement of chronic diseases and five advance increments for Ph.D. teachers at the entry level without NET . But the govt. under your leadership has actually backtracked from these commitments.

We, the members of HCTA unit of -----, strongly resent this state of affairs in which besides the above two long pending issues, the university and college teachers of Haryana have been denied the legitimate enhancement in the age of superannuation up to 65 years as per UGC regulations. To register our protest, we have staged one hour dharna in the college campus from 01 p.m. to 02 p.m. We request you consider these matters urgently and intervene effectively to notify relevant orders fulfilling your promise to the teachers.

With thanks

Yours Sincerely

Member , HCTA Unit of -----.
