The Chief Minister

Sir,

We, the teachers of -----, wish to inform you that Haryana Govt. Notification on HRD/UGC pay scales issued on April 29, 2011, is a gross violation of HRD/UGC recommendations. This notification is contrary to the repeated assurances given by you to the teaching community that Haryana govt. will implement UGC recommendations in toto i.e. in a composite and undiluted manner. The present form of Haryana govt. notification is a document that is humiliating and disappointing to us. In protest against this document, HFUCTO affiliates will boycott all evaluation work throughout the state from May 11, 2011 onwards.

We request your good self to fulfill your commitment in this regard.

With thanks.
