For Circulation Among All Unit Members of HCTA

Dear Teacher Friends,

You are all well aware that the AIFUCTO has been persistently carrying out the struggle of university and college teachers against the Central Govt. on issues and problems pertaining to higher education in India. The present time is critical for all of us and it is the time for us to stand and work in unison with all the right-minded organizations. It is in the same context and to express our solidarity with All India Trade Unions, all the teaching units of HCTA under the banner of HFUCTO will **wear black badges** throughout the day on **2nd September 2015**. It is our duty to support and strengthen the struggle that AIFUCTO has been carrying out on issues and demands related to all of us. Safeguarding the future of higher education in India lies in our concerted and unified efforts. Nothing is to be achieved without hard struggle.
