To

The Chief Minister,
Haryana,

Subject: Request To Implement New Pension Policy In Govt. Aided Private Colleges

Hon'ble Sir,

With utmost regards, we wish to draw your kind attention towards the agonizing fact that the New Pension Policy covering recently recruited teachers has not been implemented in the Govt. Aided Colleges. This is leading to a genuine anxiety and sense of disappointment among the recently recruited teachers – a section of teachers who have come to teaching profession on regular basis only due to your visionary outlook and generosity. Their very entrance owes to your forward looking decision of filling up vacant posts in the Govt. Aided Colleges.

We request the govt. to start the deduction of P.F. of the affected section of teachers without delay. We also wish to bring to your kind notice that other section of teachers in higher education is facing this discriminaton.

We request you to resolve this genuine problem with your kind and immediate intervention.

With thanks
