To

The Chief Minister,
Haryana,

Subject: Request For Medical Security

Hon'ble Sir,

We request the state govt. to implement a comprehensive medical security scheme for the employees of the govt. aided colleges as like any other section of society/ employees, we are also facing genuine health hazards. In this regard, Sir, you had announced the readiness of the govt. to contribute its share to such a 'comprehensive scheme'. This announcement was made the HFUCTO convention at Kurukshetra University Kurukshetra on December 9, 2008. Regrettably, despite several reminders this announcement of the Chief Minister has not been fulfilled.

Sir, we hope this genuine problem will be resolved soon.

With thanks

(Unit Members)
