The Chief Minister,
Haryana,

Subject: Request To Give Withdraw Undemocratic Letter of HEC dated 29-01-2008.

Hon'ble Sir,

We, the teachers of the Govt. aided Colleges are facing a discrimination as we are being denied mobility through a letter dated 29-01-2008 that necessitates three month notice as well as three month salary while resigning from the Institution. In Govt. colleges, only three month notice is applicable. In aided colleges too, the HEC office letter no. 3/2- 2002 C-4 (3) had already made this provision. But due to reasons known to none, the letter of 2002 was nullified by the HEC letter dated 29-01-2008. We request you to intervene so that the discriminatory letter is withdrawn immediately.

Sir, wish to bring to your kind notice that this particular issue was also prominently pointed out by worthy Rajya Sabha Member and eminent educationist Dr. Ram Prakash at HFUCTO convention at Kurukshetra University on December 9, 2008. We have also represented to the concerned officials several times and various levels in this specific level.

Sir, we seek your kind intervention to address this problem of great urgency.

With thanks
