The Chief Minister,
Haryana,

Subject: Request To Give Adequate Representation to teachers in the Governing Of Bodies of Govt. Aided Colleges

Hon'ble Sir,

With utmost regards, we wish to draw your kind attention towards the urgent need to increase the representation of teachers in the Governing Bodies of the govt. aided colleges in Haryana. The present composition of governing Bodies is grossly imbalanced in favor of elected managements. To streamline the academic environment of these colleges for the larger welfare of students, we seek a change in the ratio of representation for the teachers.

Sir, we sincerely urge you to double the number of elected teachers' representatives from the present number of two to four. We also request that in each governing body there have to be two Vice Chancellor Nominees – one senior teacher of the affiliating university and one senior teacher from a Govt. Aided College.

Sir, this change in the composition of Governing Bodies is necessitated by the overall functioning of managements. The most glaring examples have been the managements of Hindu College Sonapat, Maharana Pratap college, Mullana, Jat College Rohtak and Bhagwan Parsu Ram College, Kurukshetra, have come out with their arbitrary functioning.

Sir, kindly intervene so that the affiliating universities make necessary amendments in their calenders.

With thanks
