Subject: Conduct of the Principal DAV College Pundri

Hon'ble Sir,

While expressing a collective feeling of appreciation for the historical role and contribution of DAV institutions all over the country and at all levels of education, we wish to draw your kind attention towards the irresponsible, arrogant and corrupt conduct of the Principal of the DAV College, Pundri, dist Kaithal, Haryana. Besides his involvement in gross financial misappropriation in the building of a the Multi-Purpose Hall at DAV College Pundri, when his corrupt practice was exposed by the recorded conversation, he resorted to criminal acts like conspiracy to eliminate Dr. SK Dubey, Assistant Professor, Dept. of Commerce, DAV College Pundri. Dr. Dubey was attacked by the hired assailants and close relatives of the principal on Feb 20, 2011 at Sector 5, Urban Estate, Kurukshetra. The FIR no. 58/21/02/2011 at Thanesar Sadar, Dist. (Kurukshetra) names him and the arrests of his close relatives have clearly revealed his role as the main and only conspirator of attack on Dr. SK Dubey.

We sincerely urge you to take stringent action against him, suspend him immediately. We request you not to allow him to vitiate the atmosphere DAV college Pundri or any other college in the state. His very presence in DAV College Pundri or any other college is destined to prove inimical to the values and high ideals of DAV institutions in particular and educational ethics in general.

With thanks

(President)
