Chandigarh.

Respected Madam,

H.C.T.A. (Haryana College Teachers' Association) heartily *congratulates* you on your joining as Principal Secretary, Higher Education, Govt. of Haryana. It is really heartening that a zealous, hardworking and dedicated personality like you has taken over the reins of the higher education sector which has always been considered as the most coveted sector. We sincerely hope that under your directions and able guidance, this sector attains the goals and delivers the results which are expected of it by the various sections of society.

With you at the helm of affairs of Higher Education, the HCTA and all its constituents feel elated and are hopeful that all our pending issues and grievances shall be suitably addressed. **We earnestly request your goodself to give suitable date and time to the office bearers of HCTA for patient listening.** The below mentioned issues which stand ignored are intended to be brought to your kind notice:

- Proper representation of teaching staff members of Govt. Aided colleges in the Committee constituted for taking decision of takeover of staff of Govt. Aided Colleges by the Govt. of Haryana as being mulled over.
- Implementation of the comprehensive medical facility to the employees of Govt. Aided Colleges.
- Full pension benefits, after the completion of 20 yrs, which has already been implemented in Govt. Colleges and State run Universities since 2014, are requested to be extended to Govt. Aided Colleges too.
- Removing various anomalies with regard to promotion schemes for college teachers, advance increments to teachers with higher qualifications at the time of joining and API score norms.
- NPS has been implemented, but the process of passing the bills is not regular. The bills of NPS after March, 2017 are still pending.

With Regards.

(Dr. S.P. Singh Sidhu)
Gen. Secretary, HCTA
