2. **Outgoing Presidents will act as Election Officers** and will inform the College Units about the **election venue, date, time** and other arrangements. The date of Election maybe changed with the advice of **Central Observers**.

3. All the Teacher units are directed to **deposit the fee** or outstanding arrears to the Finance Secretary **Dr. Chand Singh** before the Zonal Elections. HCTA reiterates firmly that only those units will participate in the Zonal Elections **whose dues/fee** is complete and fully settled before the Election date. It is also the duty of the Election Officers to ensure that fee of the local units and the election details must be complete and fully settled before the Zonal Elections.

I once again urge all the members of the College units and the teaching fraternity to send their valuable and indispensable propositions and suggestions so that they can be incorporated in the future agendas of HCTA & they are also requested to visit the **HCTA website** regularly to keep themselves aware of HCTA activities. The strength of HCTA lies in the fact that our local Teaching Units remain strong and stand by our concerted efforts. The cause of the teaching fraternity, students and Higher Education is paramount to us.
