## **(FOR CIRCULATION AMONG THE UNIT MEMBERS)**

Dear Friends,

Many congratulations to you for our unity, strength and desire to struggle, that forced the government to act fast and fulfill the left out provision of the sixth UGC pay scale notification except a few.

Friends the FC and PS higher education government of Haryana Shri S.S. Prasad on his meeting with the delegation of HFUCTO on 18/09/2012 agreed upon the following issues:

1. To relax the implementation of the API system for promotion by today i.e. 19/09/2012
2. The provision of advance increment for M.Phil and Ph.D has already implemented.
3. The number of publications required for the post of professor will be as per UGC.
4. The issue of inservice increment after getting the grade 37400/- is again referred to the FD Haryana.
5. Agreed to examine the issue of academic duty leave for college teachers.
6. Agreed to examine the issue of child care leave in aided colleges.

So in the light of the above discussion and recommendation the HFUCTO executive council decided to suspend the call of mass casual leave on 21-09-2012 till further review of the situation.

With fraternal feelings

Dr. Narender Singh

General Secretary
