2. The outgoing Zonal Presidents will act as Election Officers and will inform the college units about the election venue, date, time and other arrangements. The date of Election may be changed with the advice of the Central Observers.
3. One of the posts should preferably be given to the Assistant Professors, in order to give them appropriate representation in HCTA. It is the humble request of HCTA that our young teaching brethren should come forward and participate in the Zonal Election with zeal and gusto.
4. HCTA is deeply concerned about the non-payment of fee by some of the college units. The funds are utilized to render help to our fellow in service teachers in case of their sudden demise or problems. On occasions, paucity of funds hinders the efforts and affairs of HCTA. All the teacher units are directed to deposit the fee or outstanding arrears to the Finance Secretary Dr Dalbir Singh before the Zonal Elections. **HCTA reiterates firmly that only those units will participate in the present Zonal Elections whose dues/fee is complete and fully settled before the Election date. It is also the duty of the Election Officers to ensure that the fee of the local units and the election details must be complete and fully settled before the Zonal Election.**
5. The presidents of local units are also requested to provide the present list of their local unit office bearers & must submit it at the time of Zonal Elections ;and the complete details of all the unit members must also be submitted urgently, if have not been submitted, for updating the HCTA Directory.
6. The resolutions which were passed by the General House of HCTA in the Annual Convention at DAV Girls College Yamunanagar, have been sent to the Honourable Chief Minister of Haryana, the Governor of Haryana, Education Minister of Haryana, Education Secretary and Director Higher Education, Haryana regarding the issues and challenges pertaining to higher education in the state. These have also been uploaded on the HCTA website. Kindly visit the site.

7. The government has also lifted the ban on teaching posts. The units are therefore implored upon to make the most of the situation and facilitate the filling of vacant posts in their respective colleges.
8. In the changed political scenario HCTA has strongly felt the need to invite and felicitate the Honourable Chief Minister of Haryana to a seminar/ conference of HCTA so that in the changed scenario better relations and cooperation can be established and the problems of teachers of aided colleges can be discussed and resolved.

I once again urge all the members of college units and teaching fraternity to send their valuable and indispensable propositions and suggestions so that they can be incorporated in the future agendas of HCTA & they are also requested to visit the HCTA website regularly to keep themselves aware of HCTA activities. The strength of HCTA lies in the fact that our local teaching units remain strong and stand by our concerted efforts. The cause of the teaching fraternity, students and higher education is paramount to us.
