2. The outgoing Zonal Presidents will act as Election Officers and will inform the college units about the election venue, date, time and other arrangements. The date of Election may be changed with the advice of the Central Observers.
3. HCTA is deeply concerned about the non-payment of fee by some of the college units. On occasions, paucity of funds hinders the efforts and affairs of HCTA. All the teacher units are requested to deposit the fee or outstanding fees to the Finance Secretary Dr Sanjay Sharma before the Zonal Elections. **HCTA reiterates firmly that only those units will participate in the present Zonal Elections whose dues/ fee is complete and fully settled before the Election date. It is also the duty of the Election Officer to ensure that the fee of the local units and the election details must be fully settled before the Zonal Election.**
4. The Presidents of local units are also requested to provide the present list of their local unit's office bearers and must submit it at the time of Zonal Elections and the complete details of all the unit members must be submitted urgently.

I once again urge all the members of college units and teaching fraternity to send their valuable and indispensable propositions and suggestions so that they can be incorporated in the future agendas of HCTA and they are also requested to visit the HCTA website regularly to keep themselves aware of HCTA activities. The strength of HCTA lies in the fact that our local teaching units remain strong and stand by our concerted efforts. The cause of the teaching fraternity, students and higher education is paramount to us.
